

## Three Point Shot

**Description:** Each athlete was given two rounds of shooting five balls from marked spots around the horn, just outside the 3-point line. The number shown below (1,2,3,4,5) represents the shooting spot on the court and the letter (a or b) represents the round (a = round 1 and b = round 2). Round one is equal to the sum of shots 1a through 5a, and round two is equal to the sum of shots 1b – 5b.
